### Product description

#### 1 Product Model, 2 Installation Types

The special advantage of IF models: Installation as flush with the adjacent areas as well as laid flat on top is possible.

#### Flush-mounted installation: Recommendation for the choice of worktop:

We recommend installation in worktops made of ceramic, granite, artificial stone (e.g. Corian or Varicor) or solid wood. We do not recommend installation in coated chipboard.

Vom flächenbündigen Einbau in beschichteten Spanplatten raten wir ab.  
 Nous vous déconseillons le montage à fleur sur des panneaux de particules enduits.  
 Sconsigliamo il montaggio a filo top in pannelli di truciolato laminato.
