Product description

1 Product Model, 2 Installation Types

The special advantage of IF models: Installation as flush with the adjacent areas as well as laid flat on top is possible.

Flush-mounted installation: Recommendation for the choice of worktop:

We recommend installation in worktops made of ceramic, granite, artificial stone (e.g. Corian or Varicor) or solid wood. We do not recommend installation in coated chipboard.

X (1:1)

Vom flächenbündigen Einbau in beschichteten Spanplatten raten wir ab.
 Nous vous déconseillons le montage à fleur sur des panneaux de particules enduits.
 Sconsigliamo il montaggio a filo top in pannelli di truciolato laminato.
