**Product description**

**1 Product Model, 2 Installation Types**

The special advantage of IF models: Installation as flush with the adjacent areas as well as laid flat on top is possible.

**Flush-mounted installation: Recommendation for the choice of worktop:**

We recommend installation in worktops made of ceramic, granite, artificial stone (e.g. Corian or Varicor) or solid wood. We do not recommend installation in coated chipboard.

**Accessory**

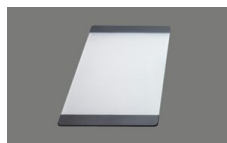

Optional accessories

Y (1:1)

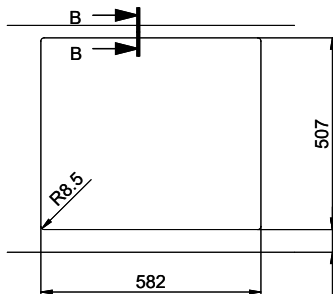

Z (1:1)

Vom flächenbündigen Einbau in beschichteten Spanplatten raten wir ab.  
 Nous vous déconseillons le montage à fleur sur des panneaux de particules enduits.  
 Consigliamo il montaggio a filo top in pannelli di truciolato laminato.

Achtung: Traverse vorne und hinten beachten!  
 Attention: respecter la traverse arrière et avant!  
 Attenzione: rispettare la traversa avanti e dietro!
