Highlights

- Mono Cooling - uniform cooling keeps food fresh for longer
- AI Energy Mode (WLAN) - optimised power consumption
- NoFrost+ technology - the end of de-icing
- All Around Cooling - consistent temperature in the cooling chamber
- Power Cool / Power Freeze - particularly fast cooling / freezing
- Thrifty and reliable due to digital inverter technology
- Water and ice dispenser without fixed water connection
- SpaceMax - More useful capacity
- 635 litres useful capacity

Product description

Technical specifications

Appliance type: Food Center / Side-by-Side
Design: Freestanding

Efficiency and consumption
Energy efficiency class (from A to G): E

Design
Front colour: Stainless steel look
Door handles: Recessed grip

Display and operation
Display: Digital display
Display and lighting: LED
Operation: Touch operation, WiFi

Home appliance networking
Samsung Smart Home: WiFi Smart Things

Appliance features
Total usable capacity: 635 L
Useful capacity fridge compartment: 417 L
Useful capacity freezer compartment: 218 L
Airborne noise emission: 37 dB(C)
Type of light source: LED | G

Equipment

Cooling compartment
Number of glass shelves (shelves): 4
Number of door compartments (and / or containers): 5
Number of vegetable drawers (containers): 2
Wine compartment: Yes, 5 bottles
Egg trays: 10

Freezer compartment
Number of compartments: 4
Number of baskets, containers, drawers: 2
Ice cube trays: -

Further equipment features
Water and ice cube dispenser in door: Yes
ClearView ice maker: Yes
Water filter: -
Fresh Zone compartments: -

Samsung Food Center / Side-by-Side SBS350
